Description

This elegant detached villa is located in a quiet residential area of Palodia, offering a perfect balance of modern living, comfort, and privacy. Designed with contemporary architecture and high-quality materials, the property is ideal for families or buyers seeking a refined lifestyle close to essential amenities.

The villa spans 139 m² of covered internal space across two floors, complemented by a spacious 30 m² covered veranda, open basement covered area 110 m², all set on a 694 m² plot. The open-plan layout seamlessly combines the kitchen, dining, and living areas, creating a bright and welcoming atmosphere with easy flow to the outdoor spaces.

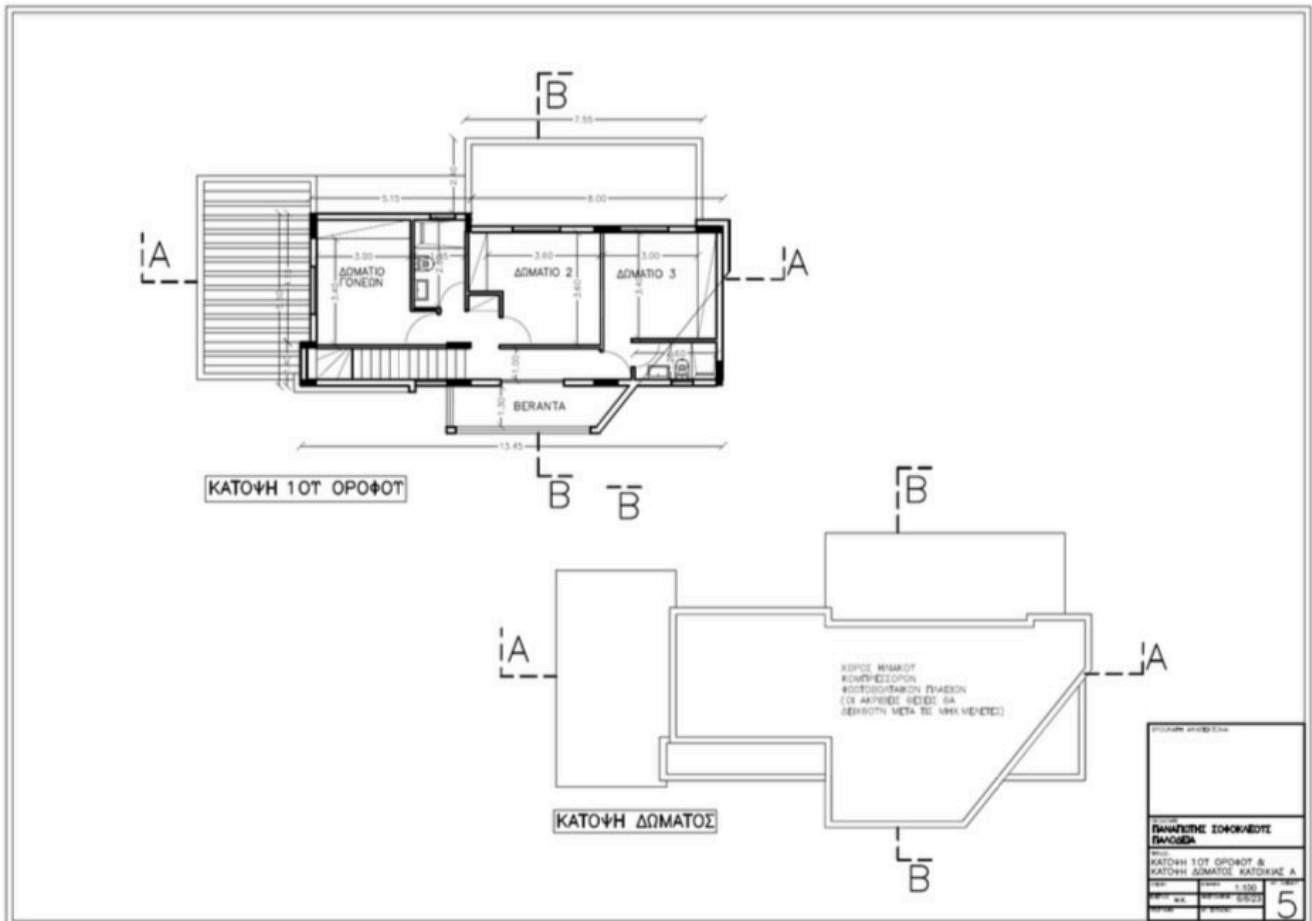

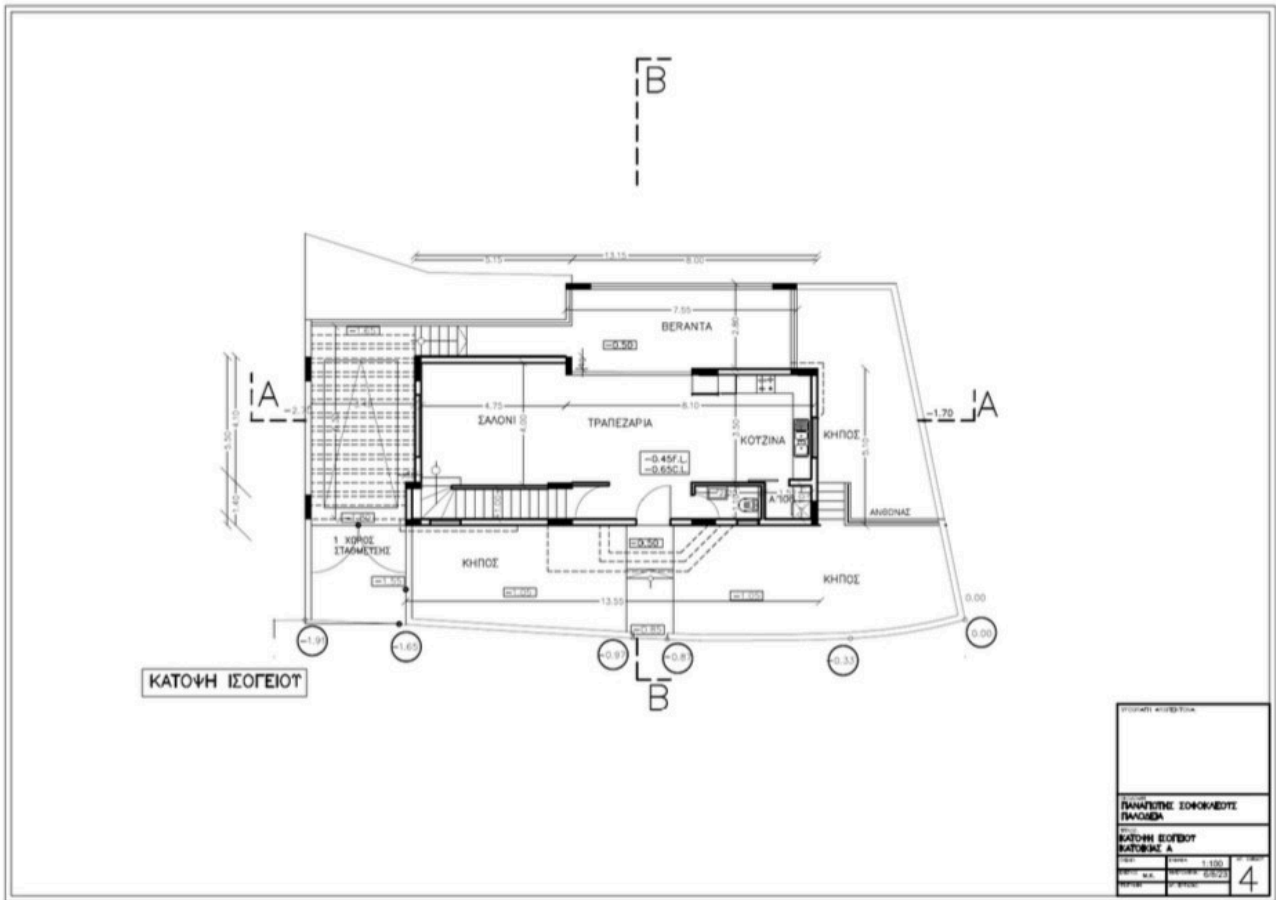

The property features three spacious bedrooms, each designed for comfort, including en-suite shower facilities, one modern bathroom and a guest WC (ground floor). Internal stairs connect both levels, enhancing functionality and privacy. Outdoors, the villa boasts a private swimming pool, jacuzzi, BBQ area and storage. Two covered parking spaces are also included.

Built with a reinforced concrete structure and scheduled for completion in 2027, the home is rated Energy Efficiency A and includes solar photovoltaic panels, double glazing, air conditioning and underfloor heating, heat pump, security alarm, security camera system, smart doorbell, window shutters and water softening system. Additional features include a pressurized water system, ceramic tiled floors, and modern finishes throughout.

Conveniently located, the villa is just 1 km from amenities and public transport, 1.8 km from schools, 13 km from the sea, and 71 km from the airport, with easy access to main roads.

This property presents an excellent opportunity to own a stylish, energy-efficient home in one of Palodia's most desirable areas.
