## Description

The 5 bedroom villa is located on a quiet street at the prime residential area of Ekali in Limassol.

The villa has approximately 420 sq.m. of internal area spread in three levels, while the large yard with a swimming pool and beautiful mature garden with high palm trees and other is the actual advantage of the property.

The property has a fully renovated Italian kitchen and renovated living areas and some bedrooms. There is open living plan that merges in a very convenient way with the kitchen and every day dining area.

There are some bedrooms on ground floor, two bedrooms (which where an addition to the initial plan) on the first floor and other bedroom among with sitting area and storage on basement area.

There are endless possibilities within this property, yet the truly magnificent feature is its beautiful large yard with the mature garden surrounding a swimming pool and grass area, offering privacy from every angle to all the great moments and events that can take place in the years to come!
