Description

A unique stone built house, lovingly renovated with the care and detail using the best original materials, while retaining the character of a typical Cyprus village home whilst also adding modern technology to provide power showers and good wifi for example. Located off a walking path, overlooking the centre of the village. The space is very peaceful with great views to the sea, mountains and village.

Currently rented as Guest house and divided into 4 separate studio each with its own kitchen and bathroom.

Tochni is one of the most picturesque hillside villages in Cyprus which is very easily accessible without having to drive up long winding roads. Boasting stunning sea views, medieval charm, and two popular traditional tavernas.

Conveniently located midway between Larnaca and Limassol, Tochni offers tranquility and authentic Cypriot ambiance, just a 5-minute drive from Zygi fishing village, Governor's Beach, and neighbouring Kalavasos, another vibrant traditional village with a bustling centre featuring numerous restaurants and a boutique hotel. Ideal for relaxation, countryside walks, and immersing in local culture, Tochni serves as the perfect base for exploring the region's cultural gems and coastal beauty. and places of historical interest. Tochni is also famous for its cycling routes, churches and peaceful country walks.

This is a taste of the real Cyprus which at the same time very centrally located and not too far from the major towns and beaches if you need an injection of city life.
