## Description

This prestigious development is located in a quiet residential neighbourhood in the heart of Limassol and includes a compound consisting of luxury 23 one –, two – and three – bedroom apartments and penthouses. These contemporary penthouses also enjoy private roof tops with Jacuzzis. A well thought-out master plan gives the residents a convenient access to the common swimming pool, gym and covered parking space.

The modern and elegant architecture, cozy planning solutions and top-of-the-line finishes will pleasantly surprise those who value true comfort and style. Parquet floors, marble in bathrooms, expensive kitchen cabinets and wardrobes, high ceilings of 3.15 meters, provisions for central VRV air-conditioning and water under-floor heating are the only part of the extensive list of features the units will have. The central location of the project in the active part of Limassol will provide easy access to city amenities and business infrastructure: shopping streets, high-class business centres, supermarkets, pharmacies, restaurants and schools (Foleys and Grammar School). The penthouse with private roof terraces and pools enjoy a stunning city view.
